

About Me

I am a Chartered Accountant with over 10 years of post-qualification experience in assurance, taxation, regulatory advisory, transfer pricing, indirect taxes, customs, and business compliance. I am a Partner at R S K P and Co. and lead the Chennai practice of the firm, serving clients across manufacturing, services, trading, technology, export-oriented businesses, SEZ units, and multinational groups.

Over the years, I have advised and worked with businesses ranging from closely held enterprises to large corporates with turnovers exceeding ₹50,000 crores. My professional experience spans statutory audits, Ind AS implementation and reporting, transfer pricing, direct and indirect tax advisory, FEMA and cross-border regulatory matters, corporate law and secretarial compliance support, customs and DGFT regulations, litigation support, due diligence assignments, and regulatory compliance management.

Having started my career as a hands-on practitioner involved in execution and technical preparation, I now lead multidisciplinary engagement teams, review complex assignments, mentor professionals, and provide strategic guidance to clients on regulatory, tax, and financial reporting matters. My approach combines technical expertise, commercial understanding, and practical problem-solving to help businesses navigate evolving regulatory environments with confidence.

Core Practice Areas

Audit & Assurance

- Statutory audits of companies and LLPs across manufacturing, services, trading, and diversified sectors.
- Leadership of large audit engagements involving complex operations and multi-location businesses.
- Ind AS implementation, transition support, financial statement review, and technical accounting advisory.
- Review of financial reporting processes and strengthening of internal controls.

Direct Tax & Transfer Pricing

- Tax audit reporting and compliance reviews.
- Transfer pricing certifications and advisory covering domestic and international related-party transactions.
- Preparation and review of transfer pricing studies involving goods, services, financing arrangements, guarantees, reimbursements, and other inter-company transactions.
- Corporate tax computations, tax positions, and advisory on tax implications of business transactions.

GST & Indirect Taxes

- Strategic GST advisory and compliance reviews.
- GST health checks, annual return reviews, and reconciliation exercises.
- GST refund advisory, application review, departmental representations, and litigation support.
- Assistance in complex GST matters involving exports, SEZs, and large-scale manufacturing operations.

Customs, DGFT & Trade Regulations

- Advisory on EPCG, Advance Authorisation, MOOWR, and IGCRD schemes.
- Assistance in obtaining, managing, and closing export-import incentive schemes.
- Regulatory compliance reviews, certification support, and interactions with customs and DGFT authorities.
- Training and knowledge sessions for management teams on customs and trade regulations.

Litigation & Regulatory Representation

- Representation before tax authorities across direct and indirect tax matters.
- Handling assessments, audits, notices, appeals, and dispute resolution proceedings.
- Preparation and review of technical submissions supported by statutory provisions and judicial precedents.
- Strategic support in resolving complex tax controversies and regulatory matters.

Due Diligence & Business Advisory

- Financial, tax, and compliance due diligence support for mergers, acquisitions, and strategic transactions.
- Coordination with global consulting and advisory firms during transaction processes.
- Risk identification, data-room management, and stakeholder engagement support.

Compliance & Business Support Services

- Ongoing compliance management covering GST, TDS, accounting, and regulatory filings.
- Advisory and compliance support for SEZ units and entities operating in GIFT City (IFSC).
- Financial reporting, net worth analysis, and tax advisory services for promoters and HNI clients.

FEMA & Cross-Border Regulatory Advisory

- Advisory on foreign exchange regulations governing inbound and outbound investments.
- Assistance in FEMA compliance reviews, reporting requirements, and regulatory filings.
- Support in structuring and evaluating cross-border transactions from a regulatory perspective.
- Advisory on overseas investments, external commercial borrowings, share transfers, and related FEMA matters.

- Review and coordination of RBI-related compliance requirements.

Corporate Law & Secretarial Matters

- Advisory and compliance support under the Companies Act and allied regulations.
- Review and coordination of corporate secretarial compliances for companies and LLPs.
- Assistance in corporate restructuring, capital transactions, board and shareholder approvals, and regulatory filings.
- Liaison and coordination with company secretaries, legal professionals, and regulatory authorities for corporate compliance matters.
- Advisory on governance and regulatory compliance requirements for growing businesses.

Team Leadership & Practice Management

- Leading and reviewing engagements through a team of 15+ professionals.
- Establishing review frameworks, compliance processes, and quality control mechanisms.
- Mentoring and developing professionals across assurance, taxation, and advisory functions.
